### **Topics?**

Three areas that are extremely relevant in today's contracting environment:

- \* Review of FAR 52.219-14 Limitations on Subcontracting and 13 CFR 125.6,
- \* Examination of a Contracts Professional's Relationship with Internal and External Clients, and
- \* Determination of Fair and Reasonable Pricing.

**Speakers:** Names will be included with bios on the following pages when available.

We look forward to seeing you all in a few weeks!
